

PUBLIC INFORMATION MEETING

Transportation Planning Study Savannah and Pinckney Island National Wildlife Refuges

The Savannah Coastal Refuges Complex, in cooperation with Federal Highway Administration, Eastern Federal Land Highway Division, is conducting a transportation study at the Savannah National Wildlife Refuge in Jasper County, SC and at the Pinckney Island National Wildlife Refuge in Beaufort County, SC. This study will serve as a resource to the transportation component of the Comprehensive Conservation Plan (CCP) for the Savannah Coastal Refuges Complex.

The U.S. Fish & Wildlife Service is seeking comments from the community to help guide the transportation plan and is holding the second "open house" public information meeting. The purpose of the meeting is to:

- discuss potential transportation improvements recommended in and around these refuges,
- provide information on local transportation challenges to the public so that they can then communicate to public officials, and
- receive feedback from the community.

Date: Wednesday, December 9, 2009
Time: 5:00 PM to 7:00 PM
Location: Savannah Coastal Refuges Complex
694 Beech Hill Lane
Hardeeville, SC 29927

Contact the refuge staff at (843) 784-9911 if you have questions regarding the meeting location or format.

Material to be presented can be accessed at
